February 2020

Hi Folks,

It has been a month that I have reflected back on members we lost. This month we lost two prominent members, Bill Bayliff and Ernie Troncelliti. We had a beautiful Lodge of Sorrows for Ernie and there will be a Celebration of Life sometime in the Spring for Bill held at the Endicott Lodge. All are invited to come and share your memories. I am sure that each of us have lost someone in the past year that we remember both with smiles and with tears. My wife would like to include a quote that got her through the loss of her Mom this year "A life that's been loved is a life that's been lived".

We are all getting older, with many members retiring and spending winters elsewhere. I say good for you as I look outside at this cold dreary day. BUT we need new members, so our lodge, as I call it our family, can continue to grow and do the wonderful things we do. We don't want to go the way of the Dodo Bird and become extinct. So I am challenging each one of you, to bring in a new perspective member. Maybe bring a friend in for a Friday night dinner or the new six week David's T-party (remember non members are welcome to participate when accompanied by a member). Lets show our friends and family what the Elks are all about. Hopefully some of them will want to help us with our mission.

Congratulations to our Elk of the month Karen Gazda. Karen is huge help at Friday night dinners and always willing to help out wherever she is needed. When you see Karen, tell her good job.

Fraternally,

Scott

Remember my motto: "We write the faults of our members in sand and their virtues in stone."

Mortgage Update:

Our mortgage balance stands at \$92,653. Contributions to the building fund are appreciated in getting this job done. Thanks!

*Look throughout this newsletter for a membership number. It will look like this ****999****. If it is your number, just come to the lodge bar and claim your 'Friday Night Dinner for One' prize certificate. The winner must come in person and show his or her membership card to the bartender. Your prize must be claimed before the month has ended. That's all there is to it! You can then use it on any Friday Night.*

Elk of the Month

January's Elk of the Month is

Karen Gazda

For all she does with Friday night dinners and wherever she is needed.

Thank you for all you do! You make us all proud to be Johnson City Elks!

IT'S PARTY TIME

Looking to hold a get together with family and friends? We proudly offer our dining room which accommodates up to 50 people for your special events.

Contact the Lodge at 798-0358 and ask for Deb Valenta. Thank you.

Impact in Your Community

School lunches. Plans for highways. Support for firefighters and families in need. Census results affect your community every day.

Shaping Your Future

The results of the 2020 Census will help determine how hundreds of billions of dollars in federal funding flow into communities every year for the next decade. That funding shapes many different aspects of every community, no matter the size, no matter the location.

Think of your morning commute: Census results influence highway planning and construction, as well as grants for buses, subways, and other public transit systems.

Or think of your local schools: Census results help determine how money is allocated for the Head Start program and for grants that support teachers and special education.

The list goes on, including programs to support rural areas, to restore wildlife, to prevent child abuse, to prepare for wildfires, and to provide housing assistance for older adults.

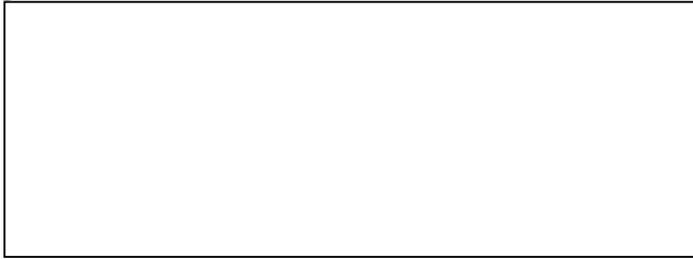

I took the pledge
to complete the
2020 Census and

I'm challenging you
to do the same.
